Our Mission

Southeast Community Partnership promotes optimal health outcomes for adults with complex mental and physical health challenges through a responsive and collaborative system of care.

Family Continuity

Founded in 1985, Family Continuity supports the behavioral health needs of individuals and families through community and home-based support, and outpatient mental health and substance use clinics. The Family Continuity program portfolio provides a spectrum of emotional, developmental, and behavioral programs for children, adolescents, adults, couples, families and seniors. FC has offices in the following communities: Worcester, Whitinsville, Lawrence, Peabody, Plymouth, and Hyannis.

Gosnold

Founded in 1972, Gosnold, Inc. has a rich history as a private, non-profit service agency. Its innovative range of programs and commitment to excellence has made Gosnold a program of choice for those affected with substance use disorders and co-occurring substance use and mental health conditions. Gosnold serves youth, adults, and families across multiple locations in Southeastern Massachusetts, Cape Cod and the Islands.

Aspire Health Alliance

Aspire Health Alliance, founded in 1926, addresses the evolving behavioral health needs of South Shore communities. As a private, non-profit behavioral health agency, Aspire Health Alliance offers a broad range of services for children, teens, and adults experiencing serious emotional challenges, behavioral issues, and substance abuse.
