

South Shore Community Partnership

The South Shore Community Partnership serves certain adults covered by MassHealth who are enrolled in an Accountable Care Organization or Managed Care Organization. Our purpose is to assist people in finding and obtaining services they need in order to live healthier lives.

(800) 409-6857. This is a voluntary program.

The services we provide to help with your care coordination are:

- Building a support team
- Working together to meet your health goals
- Connecting you to services to meet your specific needs such as:
 - ✧ Public Programs (Food stamps, housing etc.)
 - ✧ Mental Health Programs
 - ✧ Substance Use Disorder Treatment
 - ✧ Basic Supportive Services
- Supporting you following hospitalizations or emergency room visits
- Supporting you at doctors' appointments

Getting you there...to get it done right!
